

Enjoy the great outdoors

Wellness Experience

Healing and Learning Tour

Project Contents

Shinshiro City boasts diverse content, including nature, sports, history, cuisine, and hot springs. This tour is designed to allow participants to experience the secrets of Japanese longevity by enjoying the great outdoors, engaging in physical activities, and savoring healthy meals. Created to provide an opportunity to experience the secrets of Japanese longevity, the tour combines the enjoyment of nature with exercise and nutritious meals. It is a healing and educational journey that allows participants to immerse themselves in the rural culture of Japan. Escaping the hustle and bustle of daily life, this tour provides a soothing and enlightening experience where participants can relax both mentally and physically while immersing themselves in Japanese countryside culture. Shinshiro City is home to several nationally designated important cultural properties, including Horaiji, recognized as an important cultural property by the country. The tour offers opportunities to experience unique Japanese cultural activities such as mochitsuki (pounding rice cakes) and shodō (calligraphy). The meals, crafted by local chefs using locally sourced ingredients, are designed to satisfy participants. Through various experiences and tours, the tour provides time for participants to reflect on their own feelings, emotions, thoughts, and life. We sincerely hope that participants will discover and experience their true values. This is a “Wellness Tour” aimed at touching upon and realizing one’s genuine values.
